IMPROPER ACTIONS

Towards His Daughter, a Little

All is quiet in the police-sheriff fight.

Both sties have a guard at the St. Francis hospital and all seem to be satisfied with the outcome so far. The police and stream and left the building and Densis should not have occurred as it pakes a black mark for both sides. Neither side is any further towards a colution of the matter than they were besided for the fight began. Sheriff Simmons has served his warrant, charging J. P. Dunn with bigamy, and has a guard at the hospital to see that the man is not taken away.

The police have a requuisition in their the police have a requuisition in their the content and some pretty hard words and the man grabbed it and pulled it so that the fight beand, but the gun was fired it and more fallers and words and the police have a requuisition in their the police have the first the police and the cort.
